RE: Care and Share – December 15, 2018

As you may have already heard, it is increasingly more and more difficult to raise money in-plants for all of the activities we previously participated in. This is due mainly to having only one shift and GM Management not allowing fundraising in their plant unless the money is being donated to a 501(3)(c).

Of course, with the number of members on permanent layoff, Care and Share is our biggest concern and we are trying new ways to raise money. Since we are not allowed to do fundraising, we will not have a raffle, 50/50, pepperoni roll sales, etc. To that end, we are asking members, active and retired, to make a donation to Care and Share to help sponsor the food give-away.

In order to be considered a food basket sponsor, the donated amount for the basket must equal \$40. **Please note that you do not have to give \$40. Any amount that you give will be greatly appreciated** and your name can be added with other names as a food basket sponsor. Our goal is to give away 400 baskets this year. We will place a note in each food basket letting the recipient know that their basket was made possible because of UAW Local 1112 members.

We know this is the time of year when everyone is seeking donations. We sincerely thank you for considering Care and Share.

Below you will find the donation form to be returned to the union hall along with your donation.

Fraternally,
UAW Local 1112
