Manpower Reduction: Management has informed your leadership that approximately 20 members will be laid off on September 8th. This is due to the vacation percentage going from 10% down to 4%. We will communicate the exact number when Management notifies us. Management will also notify all affected members.

August Cruze sales: Cruze sales 16,500 (down 26.1 percent from last year).

“Labor Day Message from UAW International Vice President Cindy Estrada:

Greetings,

Happy Labor Day to all UAW-GM active and retired members. I hope you enjoy this Labor Day weekend and take time to reflect on the reason we celebrate this holiday.

At Nissan, we recently saw once again how powerful forces can intimidate unorganized workers to keep them from winning their union and a seat at the table. And we know from years of experience that having union rights and a contract with GM doesn't mean we don't have to fight every day to hold management accountable and respect our demands.

When organized and unorganized workers join together – whatever their differences – we can take on the 1 percent. We still haven't gotten there, but I know one day workers in this country will realize the full power of our humanity and come together in solidarity to make lasting social and economic change for ourselves, our communities and our country.

In solidarity,
Cindy”

YOUR LEADERSHIP also wishes to relay to our Brothers and Sisters our sentiments for the Labor Day weekend.

May you enjoy the time off with your family and friends. Be safe and we'll see you on Tuesday, September 5th. REMEMBER, **never** TEXT AND DRIVE!!

REMINDER: Union Membership Meeting is **Sunday, September 10, 2017**, at 10:00 a.m. at the Union Hall.
