## 2025 Easter Egg Hunt

**UAW Local 1112 Recreation Committee**

## President's Report George Goranitis

Dear Members,

As your President, I am pleased to provide you with an update on the recent activities and developments within our local community and at our hall.

Over the past few months, I have engaged in discussions with Mr. Rulli and Mr. Moreno regarding the challenges we are facing at our facility and in the community. One pressing issue we have observed is the decline of blue-collar union jobs in the Tri-county area over the years. It is essential that we work together to bring these jobs back to our local communities so that we can once again thrive as we did in the past.

I am happy to report that our standing committees are becoming more organized and active each month. Our recreation committee successfully organized our first annual Easter egg hunt for members and their children. The event was a tremendous success, and it was heartwarming to see the joy on the faces of the children as they participated. I even had the honor of being "voluntold" to play the Easter Bunny, which was a truly rewarding experience.

Additionally, our Community Service Committee recently hosted an Autism Society dance in memory of former Local President Darwin Cooper. I am confident that Coop would have been proud of the event, and I extend my gratitude to all those who volunteered their time to make it a success. Your dedication and commitment to our community are truly commendable. While we still have many challenges ahead of us both at the hall and at the plant, I am confident that by working together and supporting each other, we can overcome any obstacles that come our way. Let us continue to grow stronger as brothers and sisters, one day at a time.

As we head into the summer months, I encourage everyone to enjoy the season safely and make the most of the time ahead. Remember to take care of yourselves and each other as we navigate the road ahead.

Thank you for your continued support and dedication to our union and community. Together, we can achieve great things.

In solidarity,  
George Goranitis

## UAW Local 1112 Leadership Spotlight

*Members at Ultium Cells: Angela Venable & Reginald Daniels*

### Understanding the Roles: Local Union President & Shop Chairman Local Union President:

The Local Union President serves as the chief executive officer of the Local Union and is responsible for overseeing all union operations and representing the membership with integrity and accountability.

#### Primary Responsibilities:

- Presides over all Local Union meetings.
- Signs all authorized treasury orders and countersigns union checks.
- Ensures the UAW Constitution and Local Union policies are upheld.
- Appoints all committees not selected by election or bylaw.
- Acts as an ex officio member of all standing committees (excluding the Election and Trial Committees).
- Supervises union office operations, subject to Executive Board approval.

The President is elected by the membership and must be a member in continuous good standing for at least one year prior to nomination.

#### Shop Chairman:

The Shop Chairman is the elected head of the Bargaining or Unit Committee and is the chief spokesperson for the bargaining unit in matters related to grievances, workplace disputes, and the enforcement of the collective bargaining agreement.

#### Primary Responsibilities:

- Leads the grievance procedure and ensures timely, fair resolution of all cases.
- Represents members in discussions and negotiations with management.
- Coordinates with committeepersons and stewards on shop floor issues.
- Upholds and defends the collective bargaining agreement.
- Maintains documentation related to grievances and labor disputes.
- Serves as a critical voice during contract negotiations.

The Shop Chairman is typically elected from within the bargaining unit and must demonstrate strong knowledge of union contracts and commitment to member advocacy.

## Retirees' Chairman John Gordon

Hello Brothers and Sisters,

As I write this I am looking forward to having a fun summer with family and friends.

Mary Ola and I attended the Region 2B Retiree Council Meeting April 7 & 8 in Indianapolis. Ted Fleming, Chairperson, UAW Region 2B Retired Workers' Council and his staff lined up excellent speakers for the conference.

We had the pleasure of having many informative speakers including Shawn Fain, our International UAW President and Dave Green, Director of Region 2B. Rick Smith, Assistant Director, was also there but he didn't speak.

President Fain spoke on many different topics. He said company perspectives of fair share to employees have changed. Record profits are not trickling down to the employees. This is an issue for us and we need to address it.

We had victories at Daimler-Chrysler and Volkswagen with both voting for UAW representation. At Volkswagen they actually hired union busters to walk the floor trying to create fear and chaos on the workers but they failed in their attempt as the workers still voted for representation.

Dave Green talked about support of the tariffs also. He said our union is fighting for labor and our jobs. He said we need to go back to the basics where we stand up for our jobs and stand up against companies and not concede to there demands. Their actions will get us back to our roots.

Other speakers were Larry Robinson, International Servicing Representative Civil & Human Rights Department; Baldemar Valesques, President and Founder of FLOCK; Delores Gray Ford, Ohio State School Board - District 11; and Scott Ledeu, Mainstay Finance.

Jim King Indiana Retired Chair and Bob Masterson, Ohio Retired Chair each gave reports pertinent to their respective states.

Danny Ernstes of Indiana and Raye Ohl of Ohio, both CAP coordinators, gave reports on how important CAP donations are. If you're not donating, please consider doing so for this important program. Forms can be filled out at our monthly meeting or at the Union Hall.

In closing, I hope you all have a safe summer and look forward to seeing you at our Sept. 8th meeting at The Embassy. Doors open at 10:00 with the meeting starting at 11:00. Lunch will be served after the meeting.

In Solidarity,  
John Gordon

## Retiree Vice Chairperson Mary Ola Stemple

Hello Retirees,

I would like to welcome any new retirees and invite you to our meetings. We had our last meeting for the spring on Monday May 5th. I am currently working on speakers for the fall membership meetings. Hope you enjoyed our spring speakers if any suggestions for the fall speakers I would appreciate the feedback. At our May meeting I mentioned some reminders that I am going to mention to anyone that can't attend meetings. If you are a spouse of a deceased retiree you are eligible to join The UAW as an associate member by paying \$3.00 a month or \$36.00 a year. This entitles you to still attend retirees' meetings, eat lunch, vote and receive the "See Here Newspaper".

It has been brought to our attention that some retirees are still only paying \$2.00 a month that is deducted from their pension checks for Union dues. The amount was raised to \$ 3.00 several years ago. There are some retirees who do pay more. We will have the forms at the retirees' meetings, or you can go to the union hall.

We don't sell CAP tickets anymore, but it is still important to donate. To be a Platinum member; sign up to have \$5.00 a month deducted from your pension check. Total of \$60.00 a year or \$10.00 a month for a total of \$120.00 a year is considered the Directors Level. Both amounts you will receive a gift each year.

If you have moved, changed phone numbers or any other status change, please have it changed at our union hall. We also will have all the forms at our retirees' meetings.

Our 1st meeting in the fall will be at 11:00 a.m. on Monday September 8th and October 6th. We will have NEOvation pharmacy services there to give flu, pneumonia and Covid shots. We will also have our healthcare providers, Optical Solutions. American Financial attends every meeting and donates something for our drawings which we appreciate. I am working on a Social Security speaker.

On November 3rd the Trust will attend with all healthcare providers. Blue Cross/Blue Shield, United Healthcare, Optum Rx, True Hearing. Davis Vision, Delta Dental and Franklin Healthcare.

December will be our Christmas Dinner dance at the Embassy Banquet Center. We will have more information soon. Thank you and pray you have a happy healthy summer.  
God Bless you all.

Sister Mary Ola Stemple  
Retiree Vice Chairperson

## Financial Secretary's Report John E. Johnson

I hope everybody is ready for summer because I know I am! For everyone who wanted to know I have survived my first flight to Atlanta Georgia, for the Financial Officer Conference. I learned a lot at the conference and met other financial secretaries from the other locals. It was a great experience, and I am looking forward to next year's conference.

I wanted to provide some updates on the work we've been doing at the hall. So far this year, we have made significant progress. We have updated

the ceiling tile in the main auditorium, the lobby, and the kitchen. In the kitchen, we painted the walls, restored the stove, and installed a new hood.

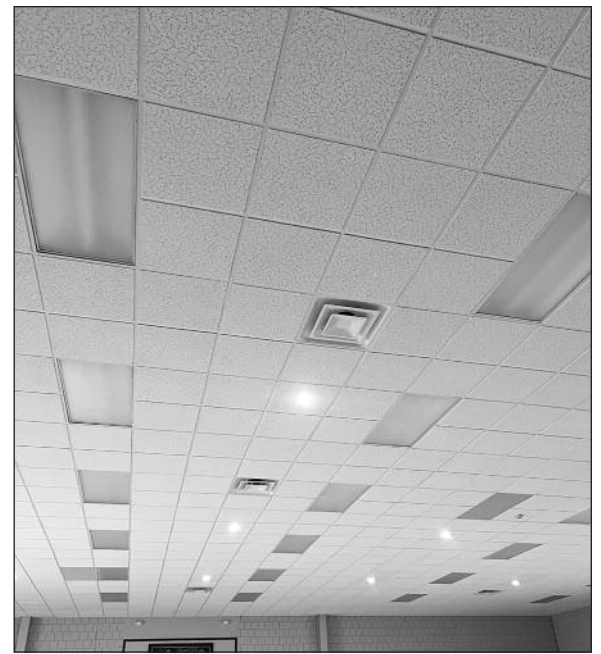

May 9, 2025 we are planning to strip and wax the floor in the main auditorium. The next phase of our renovation project will involve replacing the HVAC unit in the main auditorium and repairing the pavilion roof.

I wanted to take a moment to express my gratitude to everyone who has been involved in this project. Your hard work and dedication will help us restore the hall to its former glory. I am looking forward to the upcoming months and the transformation that will take place this summer.

As we all head into the summer break, I want to wish you all a safe and enjoyable time. Let's come back refreshed and ready to continue our work on the hall.

Thank you all for your commitment and support.

John "JJ" Johnson

## Financial Report April 2025

## Greetings to all the retirees and active members,

I wanted to introduce myself to everyone as I am the new secretary at Local 1112. My name is Karrie, and I started here back in September 2024. I know I have big shoes to fill when Diane plans on retirement and I hope I can do a good job like she does. I have been learning the ropes of the union and what it means to be part of one. I wanted to let everyone know that the Union Hall is open Monday through Friday from 8am to 4pm now. You are welcome to stop on in or give me a call. I will try my best to help if I am able to or will direct you into the right way to get answers. I do have one request, if you happen to move, change your phone number, or a name change, please contact me at the union hall or you can even go onto the website at UAW1112.com and go to update personal information. That way we can make sure we have the most up to date information on you, so you do not have delays in receiving information such as the "See Here" Newspaper. I am grateful to have this opportunity and hope I succeed at it. I hope everyone has a happy, wonderful, and safe summer!

**Karrie- Front Office Secretary**

## Recording Secretary's Report Michael A. Aurilio

### Brothers and Sisters

When you read this, we will be on summer break from membership meetings. We have a decent group that attends our meetings, but more should be attending. They keep you up to date on our benefits and other information. I know we get the information out in the "See Here" which only comes out quarterly and only goes out to dues-paying members and surviving spouses. One of the hardest things about our meetings is reading the list of deceased members, it's getting longer every meeting. We are slowly dying off and not being replaced. What I mean by that is the newly retirees do not get a pension, so we must come up with ideas to collect dues. It's dues dollars that help pay for our luncheon at membership meetings and putting out the "See Here". That brings up another issue, the members who were hired after 2008 are not in the Retirees' Medical Trust. We have other units that are members of Local 1112 that do not participate in our retirees' activities (Magna, Lear, K-Mark, Infinite Synergy, and Mahoning County JFS). If you know of any Brothers or Sisters who fit this invite them to our next membership meeting in September.

On May 6th we went through voting for the primary, it was a very low turnout. Granted some of you only had one issue on the ballot, but this is an election that you should pay attention to. These are the people you see every day. They deal with your roads, water, etc. I sent out over seventy screening sheets and got eighteen back. Using the newly elected CAP committee, we made our endorsements. We will send them out for the General election. Speaking of the CAP Committee, for any Retirees' who want to be on the committee please see President George Goranitis.

In closing, I wish you a long and healthy summer, stay safe. Just remember some people are like Slinkies... not good for anything, but you still can't help but smile when you see one tumble down the stairs, until next time.

Michael A. Aurilio  
Retirees' Recording Secretary  
NEO-CAP Vice-Chairman

## Trustee's Report Melissa Dangelo

Last month, the Recreation Committee from the UAW Local 1112 put on an Easter Egg Hunt at the Union Hall. It was our first one. We had over 100 kids participate, and we gave away a lot of nice prizes. There will be a lot more fun to come. I'm glad to be a part of the Recreation Committee, watching the kids having so much fun.

Have a great summer!

## Veterans Committee Report Alan Eggleston, Chairman

The UAW Local 1112 Veterans Committee was formed in February of 2025. We meet monthly at the CHC restaurant, which is located in North Jackson. You do not have to be a veteran to be on this committee. We are actively searching for more members. Please contact the union hall if you would like to participate. Currently, we are in the process of developing the Veteran's Recognition Wall. The veteran's recognition project is a joint effect between Local 1112 and the leadership at Ultium Cells.

The display will be a 4'x8' sheet of galvanized steel that is vinyl-wrapped with the American flag. Above the flag will be 12" emblems for each branch of the military. It will be located near the main hallway intersection at Ultium Cells. All American Veterans employed at Ultium Cells 1 will be able to have a personalized dog tag magnetically affixed to the display. The tags will include the last name, first name, branch, rank, and years of service of each Veteran. We plan to have it manufactured and installed by the 4th of July.

Alan Eggleston

## Benefits Report Sonja Woods, Benefit Rep

Hello. I just wanted to let you all know about the new WEX HRA Card that you are all receiving. It is not associated with the OTC Card. THEY ARE 2 DIFFERENT Benefits. The WEX card can be used to pay Medicare premiums, and any out-of-pocket healthcare expenses such as co-pays, for medical and dental, pharmacy, and vision expenses such as prescription glasses and sunglasses, contacts, etc. Each eligible household will receive \$600. You will receive 2 cards to be able to use, but the total is still ONLY a total of \$600, NOT \$600 for each card. You will need to keep these cards even after used because it will be reloaded annually. I also want to add to make sure you are updating your beneficiaries if there are any changes to your accounts. Please hang on to all information you receive so you are able to look back at it if needed. If you haven't received information on this by the end of June, please reach out to benefit rep. or The Trust. I hope this has helped you out in some way. Hope you all have a great summer.

Sonja Woods, Benefit Rep

## Recreation Committee Kami Rydarowaicz, Chairperson

Hello Everyone, My name is Kami Rydarowicz and I am the Chairperson of the Recreation Committee. As the Chairperson of the rec committee, I bring a passion for community engagement and a knack for communicating memorable experiences for everyone involved. My dedication and leadership are evident in the success of our recent event.

One of our notable recent achievements was the organization of a fantastic Easter party. It was filled with fun activities, laughter, and a strong sense of UAW spirit. The event's success is a testament to our UAW's recreation, organizational skills, and our ability to create an inclusive and enjoyable atmosphere for all attendees. Now with summer approaching our team is getting ready to gear up for our Juneteenth summer party at the UAW union hall. This is another exciting event that all of us in the UAW will not want to miss.

Our team is now channeling our energy to a new and exciting initiative: a charity bike run for UAW Local 1112. This event aims to bring together Motorcycle enthusiasts, UAW members, and community supporters in a collective effort to raise funds for a worthy cause. The Recreation Committee is committed to supporting both our local community and the UAW. Be sure to mark your calendars and join us for a day of motorcycles, fun, and giving back.

Our rec team is gearing up to create a memorable day centered around a scrapper's game aiming to bring families together for our fun-filled outing. This event involves coordinating tickets to a Scrappers baseball game with a local minor league team to provide an affordable and enjoyable experience for UAW members and their families. The goal is to foster a sense of community and camaraderie through America's favorite pastime.

Besides the baseball game, we are working on securing tickets to Cedar Point, a renowned amusement park to offer families an exciting and thrilling day of rides and entertainment. This venture is intended to provide a unique opportunity for UAW members to bond with their families outside of work creating lasting memories and strengthening relationships.

To complete the family-oriented experience, the UAW rec committee is planning a picnic at Pioneer Waterland, a local water park offering a relaxed and refreshing way for families to unwind and enjoy the summer. This will allow our members and their families to socialize, share stories, and build connections. Pioneer water lands water-based attractions will ensure a fun and engaging day for all ages making all our UAW families united as one again.

As this is my first time as a Chairperson, all these events would not be possible without my brothers and sisters involved in this committee. They have all proven their solidarity in making sure each event will be at its best. We look forward to seeing everyone at all our events!

Kami Rydarowaicz

## Election Committee Michelle Colyar, Chair

Hello brothers and sisters, just stopping by to update you on a few special elections.

Before I get into the elections, I would like to say hats off to Recreation and Community Service Committees. Those committees did a phenomenal job on the Easter egg hunt and the Autism party dedicated in Darwin Cooper's name. UAW Local 1112 has always been about serving the community. The Election Committee made a very nice basket for the Easter Egg Hunt. The Chaplin Committee also made a very nice donation.

### 2 Special Elections to be held:

#### 1. District #5 Committeeperson/ Alternate Committeeperson For A/C Crew Only Skill Trades/SRP

##### Nomination Period:

May 19, 2025 through May 27, 2025

**Poll Positioning:** May 28, 2025, at 10a.m.

**Election:** June 3, 2025 at 5am UNTIL June 5, 2025, at 5am. Elections will be held inside GM ULTIUM Cells in the ORIENTATION ROOM #4166. Ballots will be counted at the hall immediately after the polls close.

#### 2. UAW Vice President Election Plant Wide/ Retirees /Job and Family Services/ISynergy

Which means everyone that's a member of United Auto Workers Local 1112 will be allowed to vote on this vice president race.

There will be another Election held the same day and time for an Alternate Committeeperson District #3

Posting: May 26, 2025, through June 2, 2025

##### Nomination Period:

June 2, 2025, through June 9, 2025

**Poll Positioning:** June 11, 2025, at 10am.

**Election:** June 16, 2025, at 5am.

Until June 18, 2025, 5am. Inside GM Ultium Cells Orientation Room #4166

Also, at the Union Hall on: June 16, 2025 from 5am to 5pm

Ballots will be counted immediately after polls close on June 18, 2025, at the hall.

Everyone have a safe and blessed summer. God bless you and your families. Remember to get involved in your local union. We need every one of you with all boots on the ground. Why do other people bring you information when you can come get it for yourself by coming to the union meetings?

In March, I had the opportunity to meet Congresswoman Shontel Brown in Cleveland. When I tell you there were so many labor unions at this luncheon some I never even heard of, and I've been around almost 30 years. What I'm trying to say is that we were all there for one common goal to protect our jobs. Please get involved with the unions and you can have a seat at the table, or you can view the table from the outside. I'm going to have a seat at the table to experience it all.

UAW Local 1112 and General Motors have been good to me, my son, and my grandsons. I will be retiring from General Motors on May 31, 2025, it's truly a blessing. I will still be working for the union I love. When I started at General Motors my son was 4 years old, he just turned 34. If it wasn't for collective bargaining. I would not have been able to do the things I needed to do for my son and now my grandsons. Please get involved and come join us.

In Solidarity

Michelle Colyar

## Community Service Committee Nathan Elser, Chairperson

Hello Brothers and Sisters,

Earlier in April, the Community Service committee collaborated with Habitat for Humanity on a new home construction project. Over the two weeks we had more than 40 members volunteer to help with the house project. The tasks were cleaning, painting, hanging house siding, and much more. It was a great experience for our members participating in. We learned new tricks of the trade and were able to spread the joy to a family who will one day buy the house.

Also, in April the community service committee made donations to the Rescue Mission of Warren, Open Door Community Church and Youngstown Community Food Center. Besides giving the donations to the centers, we also spent time there learning and conversating with other members of the community.

Lastly in April, we organized an Autism dance in memory of late President

Darwin Cooper. The dance was partnered with Autism Society Mahoning Valley; it was a red-carpet theme. All the community service members came together and organized a fabulous dance for the children. I couldn't have asked for a better group of members. I didn't know Darwin Cooper, but I sure hope he would have been proud of the Community Service Committee for this dance.

So finally, May has come and the rain is still here hoping one day those May flowers will bloom soon. The community service committee is gearing up for the summer; scheduled a day for cleaning up the Mosquito Lake dog park, collecting pet food and toys for Angels for Animals, the Fairhaven golf outing that is happening on June 16th, and much more to come.

I am pleased to be the chairperson of the community service committee, without all the members who have volunteered their time none of this could have happened. Stay tune to see what happens over the summer.

Thank you for everything and hope everyone has a wonderful and safe summer!

Nathan Elser, Chairperson  
Community Service Committee
