December 6, 2017

Greeting Brothers and Sisters,

The Merger Continues: As of December 1, 2017, the seniority list for UAW 1714 and UAW 1112 have been combined. Your leadership is meeting daily to complete the final stages of our merger. For team members interested in knowing where you are on the newly combined seniority list, you can see your committeeperson. Also, an up-to-date electronic list is available to all team members for your inspection within the plant.

On the administrative side, we still have several items to work through, as we complete these important steps we will communicate them with the membership.

Social Media: We all understand that social media is an important tool to communicate and we know it is never going to go away! It is what it is and it should never replace face to face communication. Your leadership encourages our members to attend union meetings for open and honest discussions involving our Union. Please attend and participate in our meetings and events.

Division 2 Skilled Trades: As your leadership continues to work through the merger of the two local unions, your committeeperson will keep you abreast of all changes to your work rules. If you are directed to perform duties outside your current scope of work as they are today, please notify your union leadership as soon as possible. All changes in work tasks will be rolled out jointly with union leadership and local management present.

Coat Drive: Thank you for the 25 plus bags of coats, hats and scarves that were collected. Bags have been donated to the Salvation Army in Columbiana, Mahoning and Trumbull Counties.

Care and Share Gate Collection: There will be a gate collection on Thursday, December 14th to help defray the cost of this year's Care and Share. Your donation, big or small, will help someone less fortunate.

Children's Christmas Party Attendees: Don't forget that we are asking you to bring canned goods with you to the Christmas party. All donated canned goods will be given away at Care and Share. Thank you in advance.
